I believe that we can in fact trim your bill down. My opinion is, that by having the same features for each line would be beneficial to getting your bill down to a lower rate. By doing that, we would be able to remove features that are not absolutely necessary. If you would like to set up a time to discuss this on Monday 10/22/12 that would be great. Memorandum

To: Doug Neal
From: Carl Weisner (CW)
Date: October 17, 2012
Re: Tribal Engagement: Native Village of Buckland

In order to comply with the Universal Service Transformation Order, I participated telephonically with the Native Village of Buckland's Tribal Council meeting. Those present at the meeting were Mona Washington, Administrator; Floyd Ticket, Council Chairman, and council members Ernest Barger, Gary Hadley, Laura Washington, and Ethel Weber. During the meeting, I provided an overview of OTZ's responsibility to engage the Native Village of Buckland and all of the Tribes within the Northwest Arctic Borough on the following subjects:

- A needs assessment and deployment planning with a focus on Tribal community anchor institutions;
- Feasibility and sustainability planning;
- Marketing services in a culturally sensitive manner;
- Rights of way processes, land use permitting, facilities siting, environmental and cultural preservation review processes; and
- Compliance with Tribal business and licensing requirements.

The Tribe Council asked how soon OTZ Wireless service would be available in Buckland as well as family-oriented rate plans and procuring a conference telephone. I responded to each question while reiterating my hope for frequent dialog between our two organizations. Finally, I expressed OTZ's interest in participating in the next Tribal Council meeting in November.

Carl -- Thanks for invitation appreciate your help Mona on working with Ann Sieh which is our representative. Take this opportunity to share with you. Floyd -- Remember few years ago you guys brought your equipment here but shipped them to Noorvik -- hoping you could prove to us we don't have to go outside or by window to talk on phone. Carl -- Appreciate that point -- less expensive, hear your point. Floyd -- 1 more -- if I go to Anchorage or Fairbanks, will that be roaming? Carl -- For that type of service \$20.00 for 200 minutes. OTZ is better emandedated to reach out to better services. We plan to be in Buckland & Deering in 2013 sometime this time next year. Floyd -- Any way to speed it up so we don't forget. Carl -- Oh, has not hit our bank account yet -- some delays. I appreciate your time and ask if it's okay to listen. Cheryl -- Are the phones expensive like GCI? Carl -- Free cooperative cell phones service lock into 2 year contract. OTZ will provide phone unlimited texting. Provide them to special community events like spring clean up or those 2 boys in accident. OTZ participates in fundraisers. Ethel -- What about family packages? Carl -- Free cooperative cell phone program -- will replace phone if broken, wet or lost. Don't want to get into your wallet. Don't have a specific family package -- to add multiple phones is easy. Can't replace all the time but we try to. Every year we present to FDC documentation of this dialogue. Floyd -- Thanks for your time. Carl -- If I am not disruptive would like to see how your meeting is run. Shannon -- Thanks to OTZ for donations.
